Subject : Regarding Permission to Open Portal for Fresh Registration

Respected Sir,

With reference to your letter No 2/35/2022-2HB3/1488 dated 25.04.2022, it is to inform your good se If that Baba Farid University of Health Sciences, Faridkot is not registered fresh eligible MBBS students who wants to join for the academic session 2021-22.

So, there is urgent need to open fresh registration portal so that the candidates scoring more than 80% and above can get admission to but Hon'ble Vice Chancellor is giving only candidates already registered having below 50% marks. Therefore, fresh registration portal is required to be opened immediately. Sir, it is duty of Government to do so as being done by other states and university is only to grant affiliation to the colleges.

Thanking you,
