Subject : Fixation of Fee for MBBS Students of our Chintpurni Medical College

Respected Sir,

It is submitted that Chintpurni Medical College and Associated Hospital is scheduled for counselling by Baba Faridkot university on 28th of April, 2022 for admission of 150 MBBS students for the session 2021-2022. The University is displaying a fee of 4,72,500/- for six months for the Management quota and 1,84,000/- for Government quota without considering of college expenses and expenditures while there is a supreme court order for the fixation of fee in the matter of TM PAI in year 2003 whatsoever the fees displayed on the university website does not cover the expenses and expenditure of the college. Therefore request you to kindly consider our plea to restructure the fee that should be around 12.5 lakhs for the management quota and 9.5 lakhs for the government quota. That is according to our provisional balance sheet.

Thanking you,

Director Principal  
Chintpurni Medical College & Hospital  
Bungal Pathankot

Sincerely Yours
